Middle School Parent Consent Form for Full Year Spanish

In order to determine if you are prepared for the expectations of a full year course, please read the following statements:

- ✓ I understand that all middle school Spanish courses are high school level courses. The pace and rigor will be fast and challenging for the average Middle School student. This is an accelerated course.
- ✓ I understand that the grade I earn in the course will be included in my high school transcript and cumulative Grade Point Average.
- ✓ I already know that Spanish interests me, and I am committed to the Spanish language.
- ✓ I understand that I will be required to pass a Spanish language proficiency exam in order to advance to the next level of Spanish language study.
- ✓ I am dedicated to studying on a daily basis and am prepared for the rigor of high school level work.
- ✓ I plan to take Spanish through High School, or I plan to learn multiple languages, or I have already had experience learning the Spanish language. My goal is to work towards fluency in Spanish.
- ✓ I understand that the full-year Spanish language course will take the place of Elective courses which may include the Performing Arts/Personal Wellness hour.

Other things to note:

- It is suggested you do NOT register for a full year of Spanish study in middle school if you are planning to only take two years of a world language; completing your world language study later in your high school career will better prepare you for success on college placement exams.
- Enrollment in a Spanish class may impact the lunch period for students.
- These classes may be in a multi-grade class setting.

We have read the above information and understand the expectations required of a full year language course.
